

Permission Form

Name of Parent/Legal Guardian: _____

Name of Child/Student: _____

I give permission for the following (check all that you grant permission for):

- I understand that in-classroom sessions include a break at the approximate mid-point of class. By checking this box, I as the parent/legal guardian, give my child permission to walk to the Danville Mini-mart during this break for a snack/drink to bring back to the classroom. I further understand and acknowledge that they must be back within the allotted break time.
- The Mini Mart is the Marathon Gas Station located 2 blocks south of the driving school. A group of students generally walk down at break time every class.
 - Your student is welcome to bring food and drinks to the classroom at their leisure.
- I understand, and give my consent/approval for my child to do behind-the-wheel drives with Danville Driving Academy, and further understand that depending on my child's flexibility to drive during the school day, my child's drive may last until 9:00pm (generally only a possibility during school year)
- I give consent for my child to wear Drunk Buster Goggles© and engage in field sobriety test simulations and other hands-on activities while wearing Drunk Buster Goggles©.
- These will be used to simulate impaired driving. Field sobriety test simulations will be conducted by Danville Police Department during class 6, and will be conducted in unison as a class.
- My child has flexibility to do behind-the-wheel drives between 8am-3pm (M-F) during the school day. Most schools mark this as "excused" since it is only a partial absence, and it is educational in nature. Students with this flexibility often finish the soonest as they are not competing for driving times.
****This box must be checked if you registered for the Daytime Drives option**.** If you registered for the "Daytime Drive" registration option, and your student does *not* in fact have your permission to drive during the daytime (8am-2pm M-F), then your registration will be canceled, and you will have to register for an alternative class. If you registered for the "Evening Drive" option and your student also has this flexibility, you may check this box and this will be used for "flexibility" purposes only after first considering evening options.

Parent/Guardian Signature: _____

Please note: All classroom rules and regulations apply outside of the classroom just as they do inside the classroom. Please be courteous to our guest speakers and volunteers as they truly are invested in the safe driving practices taught in our program. We have invested substantial resources to provide these experiences to our students, and so we ask that students be respectful, and try to understand the valuable lessons of this program. Thank you for your support!
